Expertise

For decades, Montgomery & Andrews, P.A. has helped borrowers and lenders in a variety of commercial and real estate financing transactions. Our clients include:

- Banks
- Institutional lenders
- Institutional and corporate borrowers
- Unregulated financial institutions
- Equipment leasing companies
- Commercial mortgage companies
- Real estate developers
- Consumer lenders

M&A's banking and finance attorneys have extensive experience negotiating and drafting documents for complex financial transactions. We regularly represent lenders and borrowers as local New Mexico counsel in multistate transactions to determine compliance with state and local law. Our attorneys also work with lenders and borrowers in restructuring problem loans and workouts and represent clients in foreclosure litigation. Areas of expertise include:

- Commercial lending
- Asset-based lending agreements
- Mortgage banking
- Energy finance
- Lending Opinions
- Lender liability
- Leveraged acquisitions
- Commercial Foreclosures
- Loan workouts
