Expertise

For decades, Montgomery & Andrews' attorneys have represented professional organizations and individuals. Our firm represents professionals under E & O insurance policies, and directly when the professional is self-insured. M&A's professional liability defense team has broad experience in the defense of:

- Accountants
- Architects
- Attorneys/Law firms
- Engineers
- Design professionals
- Healthcare providers
- Insurance agents and brokers
- Real estate agents and brokers
- Surveyors
- Sureties

M&A is proud of the legal talent we've assembled to serve licensed professionals around the state. We understand the potential effects of a law suit on your business and reputation. We also provide legal advice regarding the formation and dissolution of professional corporations and related entities, as well as licensing issues, contract disputes and transactional matters.
